Trustee Thomas asked why the police car does not have the new tires. He was told it would be taken care of last week.

Trustee DiRaimondo questioned why there is only one weekend night covered. It was explained that the Police department is giving one weekend night per week which was not done in the past.

The Mayor reported two complaints: large trucks going down Seneca Rd. and cars still running the stop sign at the intersection of Elmwood Ave and Third St.

OLD BUSINESS

BIDS ON '98 DUMP TRUCK

The following bids were opened and read:

- Mike Ordway - \$6500
- Jim Testani - \$6001
- Jason Emo - \$6500

The board requested that the two \$6500 bidders rebid with a deadline of August 17, 2009 by 8PM.

The Clerk was directed to call the two high bidders and advise them of the board's decision.

Three bids not considered – they were turned in late.

FIRE HALL UPDATE

Mayor Falci continues to work with Steuben Trust and Robert Ranger on the bonding process. Architect Rex Simpson continues to work with contractors on the specs. He will have a pre-bid meeting on August 21st at 10 AM.

The board will determine when they will open the bids after the August 24th noon deadline. Most likely during the same week.

ZONING ISSUES

Mayor Falci noted those homes or buildings in the village that will be closed or torn down depending on code violations.

Mr. Levinson (302 Seneca Rd, property) would like to do something to open the property again. It has been closed and vacant for several years.

WOODCHUCK PROBLEM

The Mayor met with Mrs. Bernice Greenthal, Rural Ave. and other residents who are currently having problems with woodchucks. The DEC stated that residents can trap and kill them. They cannot however, be relocated to another area. The Village hall will have a list of certified trappers that residents may call. Prices starting at \$35 per animal. The board recommended that the Mayor contact Scott Smith from the DEC with suggestions on who to contract for the removal of various rodents and such in the Village.

Trustee Thomas noted that there is also a problem with snakes on the bridge north of the Village. They are a concern to those residents walking over the bridge.

STREET MAINTENANCE

The Village will be black topping on Third St this summer as well as work on Rural Ave.

OTHER

TAX COLLECTOR

A concern was addressed to Trustee Thomas from a resident that checks from residents for Village taxes should not be made in payment to Kristene Libordi but rather Kristene Libordi/Village Clerk.

Trustee Thomas made a motion to change the "pay to" for Village taxes from Kristene Libordi to Kristene Libordi/Village Clerk. Motion was second by Mayor Falci and carried. Trustee Libordi abstained.

TRUSTEE DICK SIGNING BILLS

Trustee DiRaimondo asked why Trustee Dick could not sign the Fire department bills. Trustee Libordi stated that Trustee Dick could sign the bills but had chosen not to sign. He can not vote on Fire department issues because he is a board member and a fire department member. Mayor Falci stated again that he will talk with Trustee Dick and would like some time to think about reappointing another Trustee to this committee.

SEX OFFENDER ISSUES

Trustee Libordi handed out a draft showing a stronger Miranda Law for the Village. Attorney Shults will receive a copy. This will be put on the agenda for next month.

GRANT WRITER

Mayor Falci will sign the contract with Mary Smith for grant writing. Village attorney Eric Shults has approved the contract.

CITY YARD SALE

Bernice Greenthal suggested that next year's city wide yard sale does not coincide with the Arkport Summerfest yard sales.
