---

William Rusby is the Village Code Enforcement Officer. Bill has been with the Village for two years, but has been a Code Enforcement Officer for other municipalities for many years. He is ready to help you with your building or renovation projects. Call or email him with your questions.

Contact # - 607-382-5049      [brusby@yahoo.com](mailto:brusby@yahoo.com)

### AMISH CONTRACTORS:

You must complete a CE-200 form with NYS before doing work in the Village. The Village clerk can answer any questions you have. You must also file a contractors license at Village Hall.

### CONTRACTORS AND PLUMBERS

Licenses are required to work in the Village. Stop at Village Hall before doing any work. Licenses are \$10 per year and must be renewed every January. Proof of insurance is required.
