MAY 18, 2015 5:00PM**

ATTENDANCE: Mayor: John Falci
Trustees: Glenn Thomas, Frank Libordi, William Coleman
Peter DiRaimondo
Clerk: Kristene Libordi
DPW Supervisor Greg Zdanowski
Mike Palmer – Palmer Heating & Air Conditioning

Mayor Falci opened the meeting at 5:00 PM.

Meeting was called to address the air conditioning failure at the Safety Building. The Unit that was put in by Casey's Plumbing and Heating has a burned out compressor. The board heard from Supervisor Zdanowski and Mr. Mike Palmer from Palmers Heating and Air Conditioning. They talked about the warranty on the original unit. If it is found out that the unit was improperly installed, the manufacturer will not warrant. It appears that this is the case. Mr. Palmer will be able to have the new unit up and running by next Thursday. He will also be able to show that the existing unit was not properly installed.

A motion was made by Mayor Falci to pay Mr. Palmer \$4,280 plus additional charges for moving the location of the thermostat from the hallway to the Troopers office. It was also agreed that the heating system will also be repaired and new copper coils will be installed. Cost for this service will be \$3,316 with payments being made at the May 26th meeting. The motion was seconded by Trustee William Coleman and carried.
