

PUBLIC HEARING OF THE NORTH HORSELL VILLAGE BOARD

MONDAY, APRIL 5, 2004, 6:45 P.M.

Mayor Stephen Terry called the hearing to order at 6:45 P.M.

Attendance: Mayor Terry

Trustees: J. Falci, G.Thomas, W. Coleman, and W. McNelis

Village Clerk: M.Heers

Mayor Stephen Terry announced that the purpose of the public hearing was to gather comments and question from residents concerning the proposed 2004-05 budgets

He explained the following: We will be purchasing a new plow truck, which will cost around 40 thousand dollars, increased the amount of the fire agreement with the Town to \$30,000, and we will buy a sewer cleaner for approximately \$27,000.

Mayor Terry noted that we would be getting a \$35,000 grant through Senator Kuhl for roadwork on Cleveland Avenue. We have also had a police car donated from Simmons-Rockwell.

Mr. Giles: We are giving the library \$5000.00 and they have now obtained a tax on real property for the library isn't that double dipping?

Mayor Terry: We kept it the same as they said that if the municipalities did not, after the tax levy it would defeat their purpose of keeping the library solvent.

J. Dick: Some of the amount was for a capital project if that is complete they should come back to the board and explain what they need.

Mrs. Giles: Perhaps another year we could re-think it.

R. Giles: What are your going to do with the old police car?

Fire Chief Chick: The fire department would like to have it to transport firemen to Montour Falls for training.

Mayor Terry and Board of Trustees will consider the request.

Mayor Terry adjourned the public hearing at 7:05 P.M.

REORGANIZATIONAL MEETING OF THE NORTH HORSELL VILLAGE BOARD

Mayor Terry called the meeting to order at 7:06 P.M.

2004-05 BUDGET.

The 2004 budget was approved on a motion by W.McNelis, second by J. Falci and carried.

FIRE DEPT.

The report of the fire department was approved on a motion by J. Falci, second by G. Thomas and carried.

Also noted: the annual fire department banquet will be on April 24th. A company called Quick Curb from Corning is willing to do some landscaping here in front of the village hall as an advertisement.

Trustees directed the Fire Chief to find out what will be done and how it will be advertised.

J. Dick; We adopted the 911 map a few months ago and residents have certain requirements such as the size of their house number and certain other things, we should inform the village residents of them. The regulations are on the 911 web site.
