the Jeremy Shinebarger home. It suffered severe fire damaged last May. Deputy Mayor responded that he was informed that Mr. Shinebarger was going to bulldoze the home.

If it is not done this week, the village will send him a letter asking him to advise the board on his intentions.

Large trees overhanging Seneca Rd. will be addressed at next months meeting. Residents are concerned that they may fall into the road causing an accident. It was recommended to contact someone from the DEC to inspect the trees for possible problems.

Mrs. Barbara Wallace inquired about the responsibility of the village to fix the road between Mr. David Ferringer's and Mr. Adam Davidson's homes on Marick Park Drive. According to Deputy Mayor Falci, an engineer must certify the drainage under the roadway. Then the road has to be brought up to grade before the paving can be done. This work is to be done by Mr. Richard Giles. Mr. Giles responded that the attorneys, specifically the village attorney, are creating the delays in resolving this problem. Deputy Mayor Falci would like to meet with Mr. & Mrs. Giles to try and resolve the problems at Marick Park. It was stated the there should be some answers from our attorney by next months meeting.

PAY BILLS

A motion to pay bills was made by William Coleman, second by Joseph Dick and carried.

Deputy Mayor Falci adjourned the meeting at 7:30 PM and the board went into executive session to discuss personnel issues.
